

SENT: 4.27.15

TO: All Maryland Responders

FROM: Maryland Responds MRC State Program

The Governor has signed an Executive Order for proclamation of State of Emergency for Baltimore City. This is in response to the ongoing violent protests within the City. The Maryland DHMH [Maryland Office of Preparedness and Response](#) will continue to monitor the situation.

At this time, NO HEALTH OR MEDICAL VOLUNTEER ASSISTANCE HAS BEEN REQUESTED.

This message is for your situational awareness only.

Should we receive a request to activate the Maryland Responds Medical Reserve Corps, we will send notification through the MDResponds Registry. Please take this time to login to your Responder profile to ensure your contact information is up-to-date so that we can reach you should the need arise: <https://mdresponds.dhmh.maryland.gov/>.

Thank you and be safe.
