

# MARYLAND RESPONDS

## ROAD TO READINESS

The Road to Readiness outlines the steps required for reaching Ready Responder status. Once you have completed the steps below, you will be ready to deploy with the Maryland Responds Medical Reserve Corps. For assistance with the Road to Readiness or to assess your status, contact the Maryland Responds State Program at [mdresponds.dhmh@maryland.gov](mailto:mdresponds.dhmh@maryland.gov).

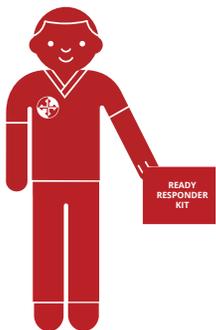

1. Register to volunteer with Maryland Responds through the Maryland Responds Registry: [mdresponds.dhmh.maryland.gov](http://mdresponds.dhmh.maryland.gov). Complete all sections of your Responder profile.
  - In the "Occupation" tab, be sure to include your professional license number, expiration date and place of practice (if applicable).

2. Complete the Maryland Responds Orientation Course, inclass or online.
  - Online: <http://bit.ly/MDROnlineTraining>

3. Submit your Liability and Confidentiality Agreement form.
  - Online: <http://bit.ly/MDRLiabilityConfForm>

4. Submit your shirt size for your Responder uniform and your photo for your Responder ID Badge.
  - Email your shirt size and your photo (passport quality) to the Maryland Responds State Program at [mdresponds.dhmh@maryland.gov](mailto:mdresponds.dhmh@maryland.gov).

Congratulations! By completing the steps above, you have reached Ready Responder status. Next you we will mail you your Ready Responder kit containing your Responder ID badge, uniform, field guide and more!
